PROJECTS

Airbnb - Clone

The Airbnb - comfort of every traveller!! As a first project i chose to clone the Airbnb Website because it has the gallery of travel destinations. i've made this using pure HTML,CSS and bundle of pictures.i learnt how to place images using flex.

Music Player

A Music Player - this was made using the combo of HTML,CSS and Javascript.This project contains some of my favourite songs.

Features:- Play button and pause button | Previous and next button | List of songs
