ABOUT ME

I am **Khushi Prajapati**, currently pursuing my **Master of Science in Information Technology**. I have a strong foundation in **programming, Web development**, and a growing interest in **artificial intelligence** and **machine learning**. Passionate about building scalable and efficient applications, I possess hands-on experience in **full-stack development**, and I am continuously enhancing my technical skills in **JavaScript, Python, web development**, and other technologies. I aim to contribute to innovative projects that solve real-world problems and drive business value.
